

Technical Datasheet

DURAFLEX

Aluminium, natural

Item-code	DFA
Description	Expansion joint profiles for thin-bed installation
Product group	Expansion joint profiles and movement joint profiles
Height	3 / 4.5 / 6 / 8 / 10 / 12.5 / 15 / 16.5 / 18 / 20 / 22 / 25 / 30 mm
Width	10 mm
Width infill	5 mm
Length	250 cm
Material	Profile: Aluminium, natural Infill: EPDM
Movement capacity	2 mm (± 1 mm) horizontal
Load-bearing capacity	Particularly mechanically stressed floors such as warehouses and production halls and rolling loads (forklifts)
Fire resistance	B1 (hardly flammable) according to DIN EN 13501-1
Colour infill	grey
Drawing	

Note: For technical reasons, tolerances are possible in the colour effects of the materials and printing.

Storage recommendation: Store dry at room temperature, protect from direct sunlight. The measured values documented here are the mean values of all quality tests carried out in accordance with the Quality Managements. All information is provided to the best of our knowledge and belief. No warranty may be derived therefrom. We reserve the right to make technical changes to improve the product or for manufacturing reasons.
