

Twin

↕ 5 – 11,5/7 – 15 mm

Twin Small

Twin Profi

Twin-Profi ist für einen Anwendungsbereich von 7-15 mm konzipiert. Der Einsatz von TORX-Schrauben und die Verstärkung im gesenkten Bohrloch sorgen, wie bei allen Profilsystemen zum Schrauben aus dem Hause Parkettfreund, für einen sicheren Schraubensitz.

Das System Twin-Small (5 – 11,5 mm) eignet sich für den Einsatz bei Laminat- und Vinylböden.

- ▶ Einfache und sichere Verlegung
- ▶ Erweiterung auf höhere Belagsstärken durch Profil-Erhöhung „Lift-up-block“
- ▶ Formschönes TOP-Profil

Twin-Profi is designed for application areas of 7-15 mm. As with all screw Profile systems available from Parkettfreund, the use of TORX screws and the reinforcing of the countersunk drill hole, provides a better contact area for the seating of the screw.

The Twin-Small system (5 – 11,5 mm) is designed for use with laminate and vinyl floorcoverings.

- ▶ Simple and safe installation
- ▶ Expansion to higher application areas due to “Lift-up Blocks”
- ▶ Elegant Top-Profile

Le seuil Twin est conçu pour un domaine d'utilisation de 7-15 mm. L'utilisation de vis TORX et le renfort dans le trou percé sont garantis, comme pour tous les systèmes de seuil de chez Parkettfreund, d'un excellent maintien.

Le système Twin-Small (5 – 11,5 mm) convient pour l'utilisation avec stratifiés et sols vinyle.

- ▶ Installation simple et sûre
- ▶ Élargissement d'utilisation à d'autres épaisseurs de revêtements de sol grâce au rehausseur pour seuil «Lift-up-block»
- ▶ Seuil raccordement de forme élégante
